As hands-on owner-operator your Hotel can personally call on these employers and schools to set up direct corporate rates and preferred-vendor contracts for crew stays, training blocks, and academic groups that deliver 60-70% occupancy year-round at predictable rates. Add a simple CRM to track repeat corporate bookings and your Hotel locks in profit that is far less seasonal than pure leisure hotels.

As owner-operator your Hotel can build direct partnerships with discharge planners and staff to offer medical-rate rooms with free breakfast and extended-stay discounts, turning one-night medical visits into multi-night stays that boost RevPAR without high marketing cost. Track these bookings in a basic spreadsheet or free hotel software and your Hotel creates a reliable occupancy baseline that smooths out tourism dips and improves cash flow every month.

I-74 Interstate Business Travel

With 40K vehicles per day on I-74 right at your Hotel's door plus quick access to I-465, Indianapolis International Airport, and Amtrak, your Hotel captures high-volume interstate, logistics, and airport overflow demand every single day.
