Primary Care Partners

1282 S Houston Lake Rd, Warner Robins, GA 31088

EXECUTIVE SUMMARY

The Opportunity

Matthews™ is offering a qualified investor the opportunity to acquire a 6,400 SF primary care facility on ±2.01 AC in Warner Robins, GA. This asset offers a 7.75% cap rate and triple-net lease with Southeast Primary Care Partners, a 450+ unit primary care network throughout the southeast.

Warner Robins is a growing market just south of Macon, Middle Georgia's largest city. In addition to population growth, Houston County's hospital system recently partnered with Emory Health of Atlanta to take over its two hospital campuses and numerous clinics. Groups such as Emory and Southeast Primary are investing in the growth of this area and taking advantage of the projected value as the market continues to evolve.

This seller also has two other Southeast Primary Care Partners locations available for sale. One other in Warner Robins as well as a third in Hawkinsville, GA. These sites can be acquired separately or together as a portfolio.

INVESTMENT HIGHLIGHTS

Property Highlights

- **Valuable Asset Class** – Medical offices are undersupplied in the state of Georgia and the greater southeast, adding a high demand for clinical space and an increased likelihood of long-term tenancy.
- **Passive Ownership** – Taxes, insurance, and maintenance are all tenant responsibilities under the NNN lease included with this asset, providing a more ‘hands-off’ approach for investors seeking less management-intensive properties.
- **Advantageous Return** – At a 7.75% year one cap rate, this rate of return allows for a positive leverage scenario from day one.

Location Highlights

- **Easily Accessible** – This clinic is seated on one of Warner Robins’ busiest thoroughfares, Houston Lake Rd, and offers pull-up-parking, a ground level entrance, and visibility which can be seen easily from the street.
- **Newly Acquired Local Hospital** – Houston Healthcare was recently acquired by Emory Health, adding massive credit backing and an expanded network throughout Georgia. The Warner Robins campus is less than 4.5 miles north of this asset.
- **Surplus of Patients** – Numerous neighborhoods, schools, and the Robins Air Force Base surround the subject property, providing a constant supply of patients seeking primary care.
- **Retail Centric Location** – Numerous national brands such as Chick-fil-A, CVS, Starbucks, and Lowe’s surround the property with high traffic counts and location familiarity.
- **Top State for Business** – Georgia has been named the #1 state for business 11 years in a row, thanks to its robust workforce, business-friendly policies, and infrastructure. With a four-year track record of budget surplus, the state government has amassed a surplus of 11 billion dollars.

Tenant Highlights

- **Regional Backing** – Southeast Primary Care Partners is a 450+ affiliate provider network spanning across four states that provides affordable primary care for individuals, families, and businesses.
- **Growing Market Size** – The 2025 US market size for primary care was estimated at \$358.4 billion with expectations of a continuous CAGR of 3.0%+ through the next decade.

Tenant Overview

Southeast Primary Care Partners is a physician-led healthcare organization focused on delivering comprehensive, patient-centered primary care services across the southeastern United States. Headquartered in [insert city, if known], the organization partners with providers and care teams to improve access, quality, and outcomes through coordinated care models and value-based initiatives. By combining local clinical expertise with scalable operational support, Southeast Primary Care Partners serves diverse patient populations with an emphasis on preventive care, chronic disease management, and community health.

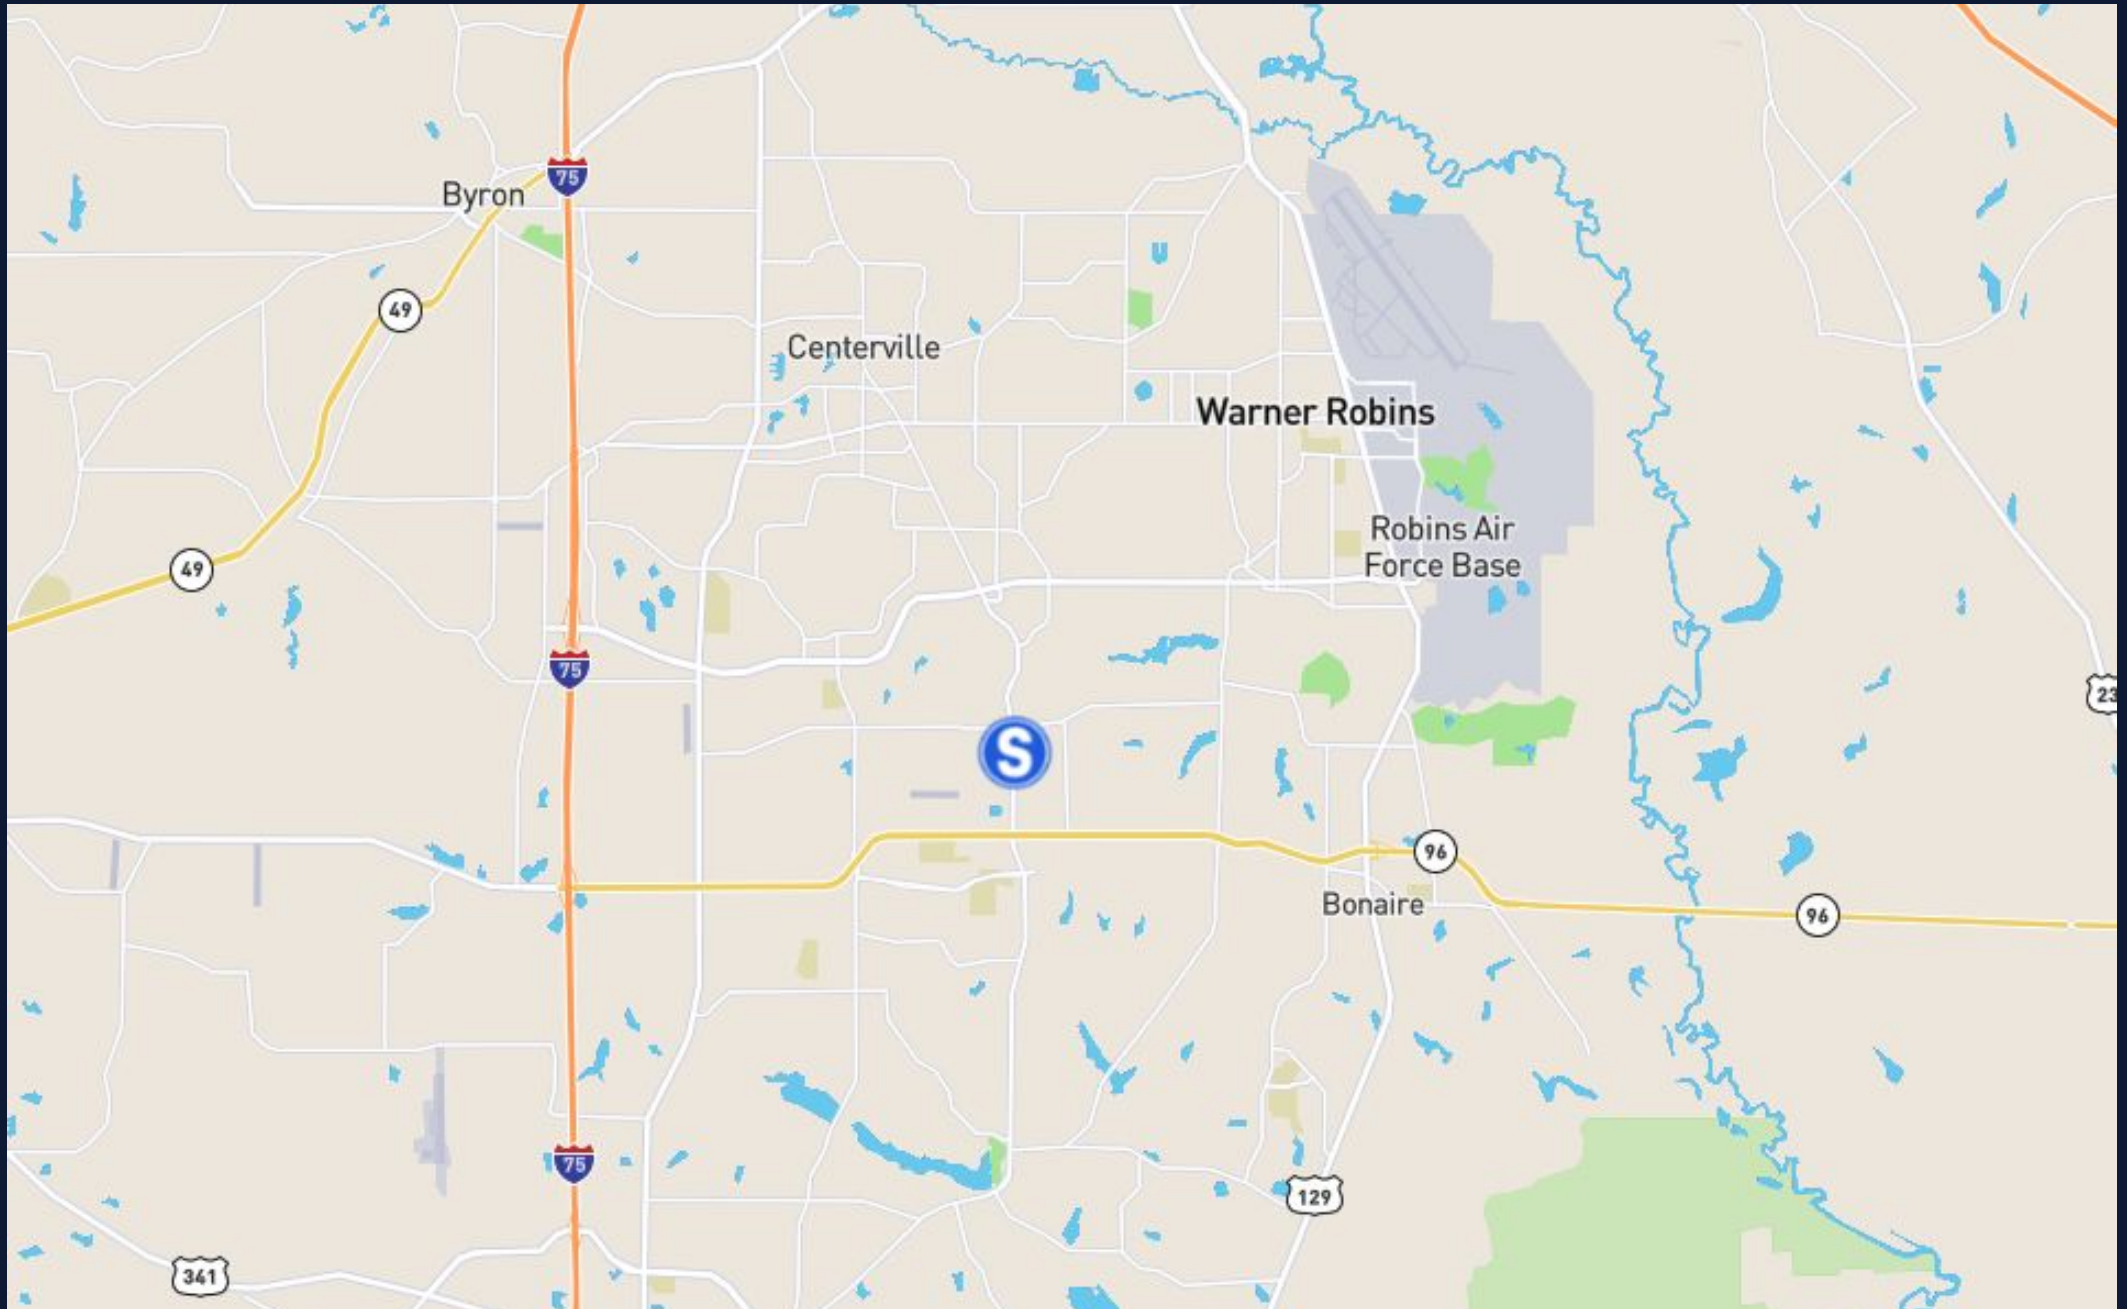

Why Invest in Southeast Primary Care Partners?

- Southeast Primary Care Partners is well-positioned to capitalize on the growing demand for accessible, value-based primary care across the southeastern United States. As healthcare shifts toward preventive care and population health management, the organization's physician-led model and focus on coordinated care enable improved patient outcomes while reducing overall costs.
- The platform benefits from strong demographic tailwinds, including population growth, an aging patient base, and increasing prevalence of chronic conditions in the region. Its scalable infrastructure and provider partnership model support expansion into new markets while maintaining high-quality, community-based care delivery.
- Additionally, Southeast Primary Care Partners is aligned with payer and regulatory incentives favoring value-based reimbursement, creating opportunities for sustainable revenue growth and margin expansion. Its emphasis on operational efficiency, clinical quality, and patient engagement positions the organization as a compelling investment in the evolving healthcare landscape.

Local Market Overview

Warner Robins, Georgia is a steadily growing Middle Georgia community supported by a strong employment base and a high quality of life. The area benefits from consistent population growth driven by its proximity to Robins Air Force Base, one of the largest industrial complexes in the state, which anchors the local economy and provides long-term stability. Residents are drawn to the region for its affordability, accessible homeownership opportunities, and family-oriented environment. A balanced mix of suburban neighborhoods, retail corridors, and community amenities supports a comfortable lifestyle while maintaining connectivity to the broader Macon metropolitan area.

The local economy is characterized by a blend of government, defense, healthcare, and education sectors, creating a reliable foundation for continued expansion. Infrastructure improvements and ongoing development initiatives have enhanced mobility and commercial activity throughout the area, attracting new businesses and supporting population retention. Warner Robins offers a strategic location along major transportation routes, allowing convenient access to regional employment centers while preserving the benefits of a suburban setting. As growth continues across Houston County, the area remains well-positioned to sustain long-term economic momentum and residential demand.

Net Lease Disclaimer – There are many different types of leases, including gross, net, single net ("N"), double net ("NN"), and triple net ("NNN") leases. The distinctions between different types of leases or within the same type of leases, such as "Bondable NNN," "Absolute NNN," "True NNN," or other NNN leases, are not always clear. Labels given to different leases may mean different things to different people and are not defined legal terms. Buyers cannot rely on the labels or marketing descriptions given to any lease when making their purchasing decisions. Buyers must closely review all lease terms and are advised to seek legal counsel to determine the landlord and tenant's respective rights and duties under the lease to ensure the lease, regardless of how labeled or described, meets the buyers' particular needs.
