Investment Highlights

High Performing Asset: The hotel consistently ranks near the top of its STR competitive set for ADR, occupancy, and RevPAR. Four year average RevPAR has remained between 78 and 81, reflecting strong and stable revenue fundamentals.

Anchored by the Largest Hospital in Colorado: Direct adjacency to the Anschutz Medical Campus, the largest hospital complex in Colorado with more than 1,400 beds across UCHealth University Hospital, Children's Hospital Colorado, and the VA Medical Center. The scale of the campus creates powerful year round medical, family, and institutional lodging demand.

Diverse and Stable Demand Drivers: The property benefits from a wide mix of medical, government, military, commercial, and transient demand. Key generators include Buckley Space Force Base, Aurora Municipal Center, Denver Tech Center, Downtown Denver, regional commercial corridors, and strong traffic volumes along Colfax Avenue and Interstate 225.

Strong Physical Plant and Rebranding Flexibility: The hotel features 90 rooms, four stories, interior corridors, and an indoor pool. The configuration supports multiple branding and conversion paths and positions the asset well for long term competitiveness.

Proximity to Denver International Airport and High Visibility: The property offers convenient access to Denver International Airport and benefits from strong daily traffic volumes near Colfax Avenue and Interstate 225, supporting sustained visibility and transient demand.

Investment Highlights

Anschutz Medical Campus

The University of Colorado Anschutz Medical Campus is not only the defining healthcare and research institution in Aurora, Colorado, it is the **economic and innovation backbone of the entire region**. Located in Aurora, the campus has transformed the former Fitzsimons Army Medical Center into **one of the nation's premier academic medical centers**. The campus includes the University of Colorado's health professional schools, nationally recognized hospitals, and **more than 60 research centers and institutes**. Each year, Anschutz welcomes millions of patients, visitors, students, researchers, and healthcare professionals, **fueling demand for hotels**, housing, restaurants, retail, transportation, and commercial development while helping attract biotechnology, life sciences, and healthcare companies throughout the Denver metropolitan area.

As of 2025, the University of Colorado Anschutz Medical Campus **generated approximately \$5.7 billion in annual economic impact and supports more than 27,000 jobs across Colorado**, making it one of the state's largest economic engines. The campus also serves as the centerpiece of **Aurora's long-term growth** through continued expansion in medical education, clinical care, research, biotechnology, and innovation. Beyond its direct employment impact, **Anschutz supports thousands of secondary jobs across construction, hospitality, education, and professional services** while contributing significantly to scientific discovery, workforce development, and the broader economic vitality of the Denver region.
