03 MARKET OVERVIEW

WALNUT CREEK, CA

OVERVIEW

Walnut Creek is an affluent city located in the East Bay region of the San Francisco Bay Area. Known for its picturesque setting at the base of Mount Diablo, Walnut Creek blends suburban charm with urban sophistication. The city boasts a **highly educated and high-income population, excellent public schools, and a thriving cultural scene with theaters, galleries, and year-round events.** Its walkable downtown is a major draw, offering a mix of **luxury retail, upscale dining, and open-air plazas that attract residents and visitors alike.** With convenient access to **two BART stations, major freeways, and regional transit,** Walnut Creek serves as a key commercial and lifestyle hub for the broader East Bay area. This unique combination of accessibility, affluence, and strong community engagement makes it one of **Northern California's most desirable markets** for both residents and retail investment.

ECONOMY

Walnut Creek's economy is both diversified and resilient, serving as a significant employment hub in the East Bay. Anchored by robust sectors in healthcare, professional services, and retail, the city hosts major medical centers, an array of consulting and engineering firms, and thriving shopping districts that attract both residents and regional visitors. Its proximity to BART and major highways enhances its appeal for businesses and commuters, contributing to a strong local job market with nearly 58,000 jobs projected by 2025—up significantly from a decade ago. The city maintains a low unemployment rate, consistently outperforming state and national averages, and continues to see strong demand for commercial space, particularly in medical and lifestyle-related industries. Looking forward, job growth is expected to remain strong, with a projected 36% increase over the next ten years, driven by expansion in healthcare, retail, and emerging tech ventures. Walnut Creek's economic stability, access, and sectoral diversity make it a highly attractive market for both business development and retail investment.

GROWTH & BUSINESS STRENGTH

Walnut Creek continues to demonstrate impressive growth and business strength, particularly in its hospitality and retail sectors. With over 150 restaurants operating downtown, the city has become a culinary destination, and many locally grown dining concepts are now expanding beyond city limits—highlighting the depth and appeal of its food scene. In addition to hospitality, Walnut Creek is experiencing continued expansion in medical, wellness, and lifestyle services. New additions like the Visiting Angels office and the upcoming arrival of upscale retailer Vuori at Broadway Plaza signal a strong and diversified commercial environment. These developments reflect a city that not only attracts regional visitors but also supports thriving, experience-driven businesses.
